# Belknap County Recovery Court Commencement

The Belknap County Recovery Court began operations in November of 2012. It began as a strategic partnership between Horizons Counseling Center and county stakeholders in the justice system including the courts, the Belknap County Attorney, the Public Defender, the County Dept. of Corrections, Restorative Justice, and the N.H. Division of Field Services. The Recovery Court provides comprehensive treatment, supervision and encouragement to its participants, reclaiming lives, restoring families and avoiding costly incarceration. Its unique name emphasizes its commitment to a positive, recovery-focused approach to offender rehabilitation.
